## Recovery phrase

1	6	11	16	21
2	7	12	17	22
3	8	13	18	23
4	9	14	19	24
5	10	15	20	25

The 25 words above are your recovery phrase (mnemonic seed). They are the only thing needed to access your funds and restore your Dinastycoin wallet, so no one except you should be able to access it. It's strongly NOT recommended to store your recovery phrase digitally (in an email, online service, screenshot, photo or any other type of computer file).
